Are you a naturally caring person?

Do you like to make a difference in your community?

TLC are looking for warm and kind people to join our amazing team of part and full time care assistants in Wrexham.

There are many reasons why people become care assistants, but the main motivation is the chance to make a difference.

And that's just what you'll be doing when you take a job in care. You'll become part of our caring and friendly team, helping us deliver emotional and practical care to vulnerable adults and transforming their lives on a daily basis.

In return, we'll support you every step of the way, providing training as well as the opportunity to progress your career. The hours are flexible, which means you're able to fit the role in around other commitments including childcare or studying.

We offer competitive rates of pay, Travel allowances, Holiday pay, Pension scheme and bonus incentives.

You don't need previous experience to become a care assistant, as we provide full training.
